

Dear Resident,

Loraas Disposal Services is pleased to introduce our automated waste collection system. Please take a few moments to familiarize yourself with the enclosed instructions and guidelines.

Many other communities have adopted our automated waste collection systems and the results have produced a cleaner, more attractive environment. Wind blown litter and animal scavenging is completely eliminated with this system.

The cart provided was chosen for its durability and its ease of use. It holds three times as much as a normal trash can. The cart's large wheels make it easy to manoeuvre, and it completely eliminates the lifting of heavy garbage cans.

Please bag all trash including grass clippings.

*Thank you*

Recycle your cardboard, newspaper, tin cans and plastics in your blue recycle cart or at your community recycling depot.

## Residential Curbside Waste Collection

**Saskatchewan Owned & Operated Since 1965**

# About Curbside Waste Collection

We hope that you will take a few moments to familiarize yourself with these easy to remember instructions regarding the automated refuse collection system.

This system uses the latest collection equipment available and provides maximum efficiency at minimum expense. We want to do the best possible job for you and would appreciate your cooperation.

To assure the collection of refuse, the drawings to the right illustrate the locations for your container on collection day,

If your house is on a street or avenue without a curb, please place the container on the road making sure the pickup truck can reach the container.

The container must be placed on the street or avenue that corresponds with your address. Example: 719-2nd Avenue West. This corner house would place the container on the Avenue.

For your child's safety, do not allow them to play near the collection container or vehicles.

To ensure your cart is emptied on its proper day, have it placed out by 7:00 a.m. or it may not be emptied until the next scheduled day.

Following these instructions will assist in us making your community one of the cleanest in Saskatchewan.

If you require more information, please call 1-306-721-1000 between 7:00 a.m. and 5:00 p.m., Monday - Friday and Saturdays 7:00 a.m. - 3:00 p.m.

Only place approved bagged waste materials within the waste cart. Carts will be monitored, and any unacceptable items will be left curbside, or your cart will be rejected for collection.

### Park It

- **Park the cart for pickup by 7:00 a.m. on the day of collection.**
- When there is snow bank built up along the curb, make sure the container is out further than the snow as illustrated in drawing #2

### Point it

- Point lid arrows towards the street.
- Close lid

### Space It

- Ensure cart is 1 meter (3 feet) clear of all obstacles and not blocking traffic as illustrated in drawing #3 and #4.

# General Guidelines

Use your grey garbage cart for the storage and collection of approved waste material only.

1. Do not pack material too tightly.
2. Wheel out your cart with its lid closed. You must be able to close the lid without packing the cart too tightly, otherwise the emptying of the cart will be more difficult.
3. **Place the cart roadside by 7:00 a.m. on collection day to ensure it is emptied.**
4. Return the emptied cart to your property before the end of the day.
5. Do not remove the cart from its assigned address.
6. **Do not paint or write on the cart (house number or name).**
7. Inform the town, village office or Loraas Disposal of any damage, vandalism or theft of the cart. It is important to note the serial number stamped on the cart placed at your residence.

Thank you for your cooperation in making this new, cleaner and more efficient system of waste collection work for you.

# Frequently Asked Questions

**What should we do if we have more waste than can fit in the cart?**

Extra waste should be kept for your next scheduled pickup. Should you regularly have more material than your cart's capacity, please contact your municipal office to arrange for an additional cart.

**My normal regular pick up falls on a statutory holiday, do I still put out my cart?**

Loraas Disposal collects on all statutory holidays except New Year's Day, Good Friday and Christmas Day. Please check your collection calendar for your scheduled pick up days including holidays.

**What cannot be put in my Loraas residential cart?**

- Hazardous material such as wet paint, chemicals or solvent
- Absolutely no ashes
- Sod, dirt, concrete or other heavy materials
- Construction or demolition materials including boards, roofing materials, or carpet
- Automotive parts, tires, oil filters or oil
- Tree clippings over 2' in length
- Liquids of any kind
- Animals or animal parts
