Maintenance Report:

-Put the sign back up on the cemetery road where it meets Kaltenbrener. Needed to order new Kaltenbrener sign. All signs should be up now. We replaced more than we thought were needed this year.

-Still waiting on pricing from Acton's for that Vent and Actuator.

-Lift station, we found it needs to be cleaned and pumped out every 2 years. It had 2 feet of sludge in the bottom. The repairs were completed that kept leading to the pump malfunctioning in the pump house.

-Hoping to get Curbstops in first week of October.

-Aquafer is giving the run around for the pump that is currently in their possession. We need to figure out what we want to do. We need to have spare in the plant.
